Carney's hit and Herwig's must of O'Brien's fly in the ninth gave the Eders some hope, but it did not last long, as Hastings snapped up Reilly's grounder, touched third and shot the ball to second in time to complete the double. Deputy Sheriffs to Test New Law.

Arrest Made at Delmar Track of George Erlich.

Under the Provisions of New Statute Which Prohibits Bookmaking on Horse Races.

ST. LOUIS, Mo. June 17 - Immediately after the sixth race at Delmar today Dep-uty Sheriff Campbell arrested George Erlich in the old betting ring on a charge of iolating the anti-betting law, which went into effect last midnight. Eritch is wellknown in local macing circles, having made broks at the meets conducted under the fireoders law, the statute authorizing the selling of pools in certain enclosures and which was repealed at the last session of the Localistics.

Taken Before Justice of Peace.

Erilch was taken to the office of Justice of the Peace Stoble at Wellston, St. Louis county, where a bond in the sum of \$1000 was given for Erilch's appearance in court next Tuesday. The Delmar race track is located on both sides of the city limits, the back stretch being within the Jurisdiction of the city and the grand stand paddeck and space used formerly as the betting ring within the Jurisdiction of St. Louis county.

Statutes Prohibiting Bookmaking.

The provisions of the new statute prohibiting bookmaking upon horse races has been subject of much consideration by the men who made wagers under the old law, and it is believed by them that they have evolved a plan by which financial speculation on the merits of the respective horses can be conducted without violating the new law.

It is much the same system as that in use on the Eastern race tracks, no pool tickets being issued and all bets being identified by numbers instead of the names of the horses.

Before making the arrest Deputy Sheriff Campbell stated that he made three wagers with Erlich, or the latter's representative. Sheriff Campbell says that the money for his wager on the sixth race was accepted personally by Erlich and that he then made theres.

Fast Horse Makes New Record for the

NEW YORK, June 17.-James R.

Keene's Sysonby, with Nicol in the sad-

Owner.

Owing to the continual demand of the cycling fans in this city for motor-pace racing. Manager Harry Heagren has concluded to make them one of the features on his programme for the rest of the season and will give the first of these races at the saucer track Tuesday night. The programme for that evening will be as follows: Five-mile open, motor pace, two-mile open lap race, professional; half-mile open consolation, professional; hard-mile open lap, amateur; one-mile handicap, amateur.

At Ogden tomorrow night the following programme will be given: Five-mile motor-paced race between Saxon Williams and lver Redman, half-mile open, professional; three-fourths-mile handicap, professional; one-fourth-mile dash, amateur; two-mile open lap, amateur.

The Ogden races will be run off earlier than usual to give the pairons an opportunity to witness the boxing contest at the opera-house between George Gardner and Billy Stift, which will be called at 10 oclock.

o'clock.

The managements of both events are working in perfect harmony with one another and it should certainly be a gala night for the lovers of good sport.

dle, won the Tidal stakes of \$3,000, one mile and a quarter, at Sheepshead bay today. Sysonby, who was making his first handicap on May 4 was in the best possible condition, having worked one mile and a quarter in 2.07, and the books made him a hot favorite at 9 to 10. He can the distance today in 2.08, which is a new record for the stake. Capt. S. S. Brown's Agile, paying even money for the place, was second, and Sydney Paget's Cairngorm, second choice, third. The Tidal stake is one of the stake features on the Coney Island Jockey club's programme. It was first run in 1890, and has been won by some of the greatest horses America has ever seen. The gross value of the stake is \$30,000, of which \$15,000 goes to the winner, \$2500 to the second horse and \$1509 to the third. Out of the original six entries, two were scratched. Sydney Paget withdrew Tradition, depending on Cairngorm to carry his colors to victory, and J. E. Madden declined the bissue with Hot Shot. Perfect weather prevailed and fully \$2,000 persons witnessed the racing. Results:
